Nearly 300 students at Jesus receive some form of financial support from the College. In these days of ever increasing higher education costs, it is important that the College has at its disposal the funds to help those in genuine financial need, be it for a core bursary, graduate scholarship or for a grant towards course essentials such as textbooks or field trips.

With your continued help we can ensure that the best young minds, from all backgrounds, will be encouraged to apply to Jesus College and can thrive here.

The value of awards ranges from £50 to £3,500 per annum. The College awarded a record £315,000 to 117 undergraduates last year.
“Receiving the Cambridge Bursary allowed me to truly embrace my time at University. It enabled me to cover basic living costs, as well as to try new experiences. Now that I’ve graduated I’m looking forward to being able to give back and help other students.”

Isabelle Jefford (2013)
THE UNDERGRADUATE supervision and graduate tutorial systems are the cornerstone of a Jesus College education. They are the great strength of the University of Cambridge’s teaching and sit at the heart of the College’s purpose.

The cost to the College of offering this personalised teaching system is high: income from fees does not cover the cost of the education we provide. With your support, we can safeguard our unique educational system well into the future.

The cost per student of a supervision is £40.
"If Jesus is to remain among the best, we cannot compromise on the quality of the educational experience we offer; maintaining that quality relies on the dedication of an exceptional Fellowship, fully supported by the College”

Geoff Parks, Senior Tutor
BUILDINGS AND FACILITIES

Although our focus in recent years has been on West Court, the ongoing programme of preventative maintenance to our historic buildings continues. Keeping the College’s housing amongst the best accommodation in Cambridge is crucial to upholding our unique community.
ACCESS

The College is committed to widening access through our outreach programme. The programme aims to encourage and enthuse young people with the academic potential to apply regardless of school or background.

More widely, we hope to raise the aspirations of young people and encourage them to continue to further and university education.

The cost per pupil visiting the College on an outreach day is £17.
THANK YOU!

Last year, nearly 2,000 alumni, Fellows, staff and friends made a gift to the College. Help make this year’s campaign even better!

Together we can make an enormous difference to students’ experiences by providing them with the guidance and, ultimately, the freedom to develop their potential and embrace all that our College education can offer.
