

JESUS COLLEGE
CAMBRIDGE

Science and Technology Applicant Scholarships

Application Form

Application deadline 31 March 2023

Please use this form to apply for the Embiricos Trust Scholarship and/or the Valluri-Rao Scholarship. If you are applying for both scholarships, please submit only one application with one copy of your supporting documents.

I would like to apply for (please tick as appropriate):

- Embiricos Scholarship***

This scholarship will be awarded to an applicant who has been accepted by Jesus College to study a PhD in Physical Science, Engineering or Mathematics. The applicant must be of Greek, Greek Cypriot or British nationality or descent. The scholarship will contribute up to £13,500 per academic year, for three years maximum, subject to satisfactory progress.

Please confirm your citizenship:.....

- Valluri-Rao Scholarship***

This scholarship will be awarded to an applicant who has been accepted by Jesus College to study a PhD in Biology, Chemistry, Computer Science, Engineering, Medicine or Physics. The scholarship will contribute up to £8,000 per academic year, for three years maximum, subject to satisfactory progress.

JESUS COLLEGE CAMBRIDGE

Eligibility and Application Instructions

Each of these scholarships will be awarded to an applicant who has been accepted by Jesus College to study the relevant course as specified. Applicants do not need to have an offer of membership of Jesus College at the time of application but do need to be aware that if an offered award is accepted, the recipient will need to be a member of Jesus College for their proposed course in order to take up the award. If an applicant applies for both scholarships, they will be considered for both, but if successful can only be offered one.

The recipients, who will be of considerable distinction, will be selected by Jesus College. Applicants are expected to identify additional funding sources to make up the difference. It is hoped that all applicants will have been accepted for study by the University before the scholarship application deadline of 31 March 2023.

Applicants should apply by emailing this completed application form (as a Word document) together with a current CV and scan of your transcript(s) to the [Senior Postgraduate Administrator](#) at Jesus College, to arrive no later than midnight on 31 March 2023. You may wish to password-protect your attachments prior to emailing them. If you do this, please remember to send the password in a separate email. It is essential that you indicate, by ticking the appropriate boxes, which of the two scholarships that you are applying for. If you would like to apply to both, please tick both boxes and only submit one application form with one copy of your supporting documents.

In addition, the applicant should arrange for a recent academic reference to be written by someone who can offer an assessment of your academic achievements, your broader interests and your potential to contribute to the advancement of your field of study in the long term. Only one reference is required per applicant. References should be no longer than 500 words, and emailed separately (with your name in the file name), by your referee and in confidence, to arrive with the [Senior Postgraduate Administrator](#) by the application deadline, otherwise the application will be deemed incomplete.

Documentation from your University application form may also be used independently by the assessors to support your submission. Incomplete applications beyond the deadline will not be considered.

Decisions to both successful and unsuccessful applicants are expected to be communicated via email by 30 June 2023. The Development and Alumni Relations Office at Jesus College request that the successful applicants write a report, when prompted, detailing what the scholarship has enabled them to achieve, which will be shared with the donors.
