May Ball survivors 1912
A supper party in a student room. Johnson is sixth from the left. Far left are Geoffrey Myddelton and Geoffrey Bradley, who were both killed in 1914.
A group on the towpath. All survived the war except Hugh Crookham. “Padre Wynn” later became the Principal of Westcott House.
Another group on the towpath. Sadly all but JDJ Saner, who died in 1962 lost their lives during the War.
